APPOINTMENTS

Recently we have noticed that there are far too many children taken out of school for appointments.

This will affect their education greatly as they will be missing out on valuable learning.

Please can you be mindful when making appointments We fully understand that some are unavoidable such as hospital appointments, however Drs and dentist can be made after school or in the school holidays.

If you do take your child out you will be asked to provide an appointment letter or card.

Why not walk to school?

To ensure we keep all our children and staff safe we must now ask that under no circumstances do you drive into the school grounds.

We have received some complaints from parents and residents regarding the parking around the school, in particular vehicles that are parked on the zig zag lines, which is forbidden as it blocks the view for pedestrians and approaching traffic.

Please be mindful of our children.

The police and parking enforcement officers will be patrolling the school at the start and end of the day.

Thank you for your help.
