YEAR 6 ROBINWOOD

Last week, Y6 went to Robinwood in Todmorden. The children took part in a range of activities including the trapeze, rock climbing and bouldering. Despite some of the children being scared of heights, they overcame their fears and impressed us all with their bravery in climbing to great heights and completing the activities. During the action-packed days, the children improved their team working and problem solving skills; this was especially evident during the Dungeon of Doom task where children had to solve clues to escape the room. The staff who accompanied the children were impressed with how well they represented our school and we were very proud of all they achieved whilst they were there.

SPORTS COLUMN

On Sunday 17th September, and ongoing, there is a junior park run in 9 a.m. in Alexandra Park, for children up to the age of 14.

On Sunday 15th October there will be a 2km run for Maggie's—a local charity in Alexandra Park. All welcome.

On 21st & 28th September there is a football competition for Yr 5 & 6 boys A team only, from 3.30 to 5p.m. at Hathershaw School.

Mosaic Classes

Next Thursday we will be running mosaic classes for 10 weeks. This course is sponsored by The Prince's Trust to raise aspirations for mothers and daughters, and has had excellent results in raising attainment.

If you would like to attend, please come to school at 1.20 p.m. A letter will be sent home with the details.

REMINDERS

Another reminder to parents that dinner money is £10.50 per week and must be paid on **Monday** each week, by cash, cheque, or PARENTPAY. If we do not receive dinner money we may ask that you provide your child with a packed lunch until payment is received.

Please remember that on Friday your child must be collected from school at 1 o'clock prompt

Please do not drive into our carpark to drop off or collect your children at the start or end of the day.

Teaching & Learning

Year 1- learning to find one more and one less than a number. We have been counting forwards and backwards. In topic we have been learning about animals that are vertebrates and invertebrates.

Year 2- have been learning about place value and looking at the artist Kandinsky.

Our Year 6 students have been at Robinwood learning new skills and trying out activities that required teamwork, courage and leadership. Many of them now have a greater understanding of some of our "being brilliant" words, such as resilience!

Being Brilliant

New Words

English Dictionary Definition

Adaptable

Ability to adjust to new conditions

Trustworthy

Able to be relied on as honest or truthful

Confidence

The feeling or belief that one can have faith in or rely on someone or something

These 3 new "being brilliant" words which were voted for by the children. The definitions are above; please encourage them to think about these words and how they can use them.
